MR. SPEAKER: As the House is aware, at 4.00 p.m. today the hon. Home Minister sought leave of the House to introduce the Uttar Pradesh Reorganisation Bill, 2000. However, as there was a pandemonium in the House, the Bill could not be introduced.

Sensing the mood of the House, I feel that it may not now be possible to introduce this Bill as well as the remaining Bills listed in the Supplementary List of Business circulated today.

As the Members are aware, the division on the motion for consideration of the Major Port Trust (Amendment) Bill, 2000 was held over for want of quorum in the House yesterday. If the House agrees, we may first dispose of this part-discussed Bill and then take up the listed Half-an-Hour discussion on points arising out of the answer given by the Minister of Tourism on 4.5.2000 to Starred Question No.542 regarding Monuments in the country.

After the Half-an-Hour discussion is over, the valedictory references on the conclusion of the Budget Session today may be made.
